Comment. Another source reported the two installations to have only partially been occupied on 16 February. See It is believed that units of the 6th Gds Mecz Div and of the unidentified Army AT artillery brigade of the Fourth Gds Mecz Army participated in field exercises of the army in the area northeast of Rathenow from 17 to 20 February 1953; units of the brigade have been confirmed in the training area. The train that passed through Templin on 22 February carried units of the brigade which, according to transportation records, returned to their post upon completion of the exercises on	25X 25X 25X 25X
